# Westbury's 5 Step Transition Process

## 1 Place Confirmation

Parents/carers will receive confirmation of their child's place at Westbury Academy.

## 2 Introductory Meeting

Parents/carers and the child will be invited to visit Westbury Academy to look around, meet with key staff member/s and receive a new starter pack to complete. For pupils joining in September, this will be through summer two's new pupil transition evening.

## 3 Initial Transition Visit

After returning the starter pack, the pupil will be invited for an initial transition visit. During this visit, they will spend a pre-agreed amount of time in their prospective class. A familiar adult from their current setting, or home, will be asked to accompany them to provide support throughout.

## 4 Bespoke Transition Meeting

Parents/carers will then meet with staff to discuss a personalised transition timetable that provides the best possible start for their child at Westbury.

## 5 Start Date and Ongoing Support

The pupil's official start date marks their first day on roll at Westbury. Weekly communication from the child's tutor will keep families updated as part of our home-school agreement.
